1-14 November 2020

Make a Will

Make a difference

**Write or update your Will and
support your local hospice**

Kindly supported by local solicitors who have agreed
to offer their services in return for a donation to
Woking & Sam Beare Hospice and Wellbeing Care

How the scheme works

Writing a will can be very easy, but it is something that many of us put off doing. If your family circumstances have changed recently, it is important to ensure your Will is up to date and provides for those you care about. You may have moved house, retired, got married or divorced, welcomed new children or grandchildren but without a current Will your affairs may not be dealt with in the way you would want.

From **1-14 November**, local solicitors and Will Writers across North West Surrey have generously agreed to set aside a limited number of appointments to help you make a standard Will, in return for a donation to the hospice. These appointments will be available at the participating Solicitors offices, please contact them directly for more information and to book a time slot.

Our **Make a Will** fortnight is a great opportunity to tick writing a Will off your to-do list, ensure you have provided for loved ones and at the same time support your local hospice.

The suggested minimum donation*:

Single Will: £150

Joint Wills: £250

* Please note the suggested donation amount is much lower than the commercial rate and 100% of the donation goes to Woking & Sam Beare Hospices. There is no obligation to donate, but please remember this is a fundraising initiative for charity. If your Will writing needs are more complex than the standard offered, your solicitor reserves the right to charge a top-up fee to reflect the amount of work necessary. If you wish to add a Codicil to an existing Will, please confirm this when making your appointment.

How to make your appointment

Contact your chosen firm directly from the list

Bookings should be made as early as possible to avoid disappointment.

Please quote **“Woking & Sam Beare Hospices Make a Will Fortnight”** when booking.

Your donation must be given to your solicitor at your first appointment, either by cheque or credit/debit card. Your solicitor will forward your donation to us. If you are unable to keep your appointment, please let your solicitor know as soon as possible so it maybe offered to someone else.

“ We are delighted to be supporting Woking & Sam Beare Hospices Make a Will Fortnight , I have witnessed the distress and anxiety that can be caused by the lack of a well drafted Will at what is already an emotional time. When you have an up to date Will in place you can be reassured that your loved ones can be provided for in the way you would wish”

Jeffrey Wakefield , Probate and Trusts

Woking & Sam Beare Hospices is a patient-led charity that delivers specialist palliative care to people who have advanced life-limiting conditions, as well as supporting their carers and families.

Each year we care for over 2,000 patients, their carers and families.

Over 70% of our care is delivered across North Surrey in the patients own homes or care homes.

We provide all our care and support free of charge and for every £5 of costs incurred we need to raise £4.
